

RYA Powerboat Level 2

Learn afloat

Did you know Andrew Simpson Yachting is not-for-profit?

Everything surplus to the running costs of the Centre goes straight back into the Andrew Simpson Foundation to support us in our work to transform the lives of young people through sailing. This means that every time you book a course with us, you are supporting the work of the charity and giving back to young people in your local community!

Assumed experience

None

Student to instructor ratio

3:1

Duration

2 days afloat - with some classroom

Course content

- Use of a trailer or launching trolley
- Consideration of launching and sea conditions, including hazards and obstructions
- Prepare the boat, lines, fenders, safety equipment, fuel tanks, lines and secure gear on board
- Slow speed boat handling
- Safety advice & techniques
- Anchoring & securing to buoys
- Berthing in various conditions and different techniques
- Safety equipment onboard
- Passage planning
- Use of planing speed

Ability at end of course

You will be able to safely handle a powerboat and have fun on the water, whilst being FULLY aware of your own limitations and those of your craft.

Sail // Power // Motor
